

Open Garden Tours 2018 Nomination Form

General Information:

Our annual Open Garden Tours is a two-day event where visitors get to view and learn about some of Brandon's most breath-taking gardens, both public and private, through self-guided tours. It is an opportunity for Brandon's gardening community to showcase their immense talents, and visitors get a chance to learn about different flowers, new techniques, and innovative designs for their own gardens!

This year the Community Development Team is welcoming nominations for the Open Garden Tours. Nominate yourself, a friend, neighbour, or any Brandon resident with a front yard that inspires you!

For more information, go to www.brandoninbloom.ca. To complete a nomination, please fill out the following form by scanning and e-mailing to k.macdonald@brandon.ca or mail to:
